Canadian Coast Guard College

www.cgc.gc.ca

The CCG College is located in Sydney, Nova Scotia.

Two Officers Training Programs are offered by the College:

Navigation and Marine Engineering

- Both are four-year programs
- At the end of the programs, students graduate with a diploma of Bachelor of Technology in Nautical Science

CCG College study programs offer many benefits:

- Free tuition training
- Free lodging and meals on the College campus
- \$359 to \$556 monthly allowance
- Two at-sea training sessions (\$1078\$ to \$1532 additional allowance)
- Access to a sports centre, including pool, gym and physical conditioning
- Guaranteed employment with the Canadian Coast Guard upon graduation with \$59,000 basic salary
- The four-year study program is counted as time served with the Federal Government (pension)
- Sea and land career progression opportunities
- Training available in English or French

CCG College Admission Requirements:

- Secondary 5 Advanced Mathematics
- Secondary 5 Physics
- One year Secondary Education Chemistry (Marine Engineering only)
- One year of CEGEP for Quebec students, preferably in Natural Science
