The Canadian Coast Guard is recruiting officers for its Marine Communications and Traffic Services (MCTS) who operate in state-of-the-art centres.

The MCTS mission is to:

- monitor the safety of seafarers
- answer distress calls at sea
- continuously coordinate traffic in Canadian waters.

We are looking for bilingual candidates with:

- the ability to manage stressful situations
- a strong sense of customer service
- an acute judgment
- a high school diploma or its equivalent.

Our recruitment process begins with an aptitude test.
